Volunteer Opportunities

Without the help of our Volunteers, ClearWater Conservancy would not be able to host so many successful projects and events. As a Volunteer, you are able to help out with many of the events hosted by ClearWater Conservancy!

Learn about all of our opportunities at http://www.clearwaterconservancy.org/

Ongoing Opportunities

- **Land Conservation Site Steward**: The goal of ClearWater’s Land Conservation Program is to conserve ecologically important habitats in Central Pennsylvania for all time. Lands we want to conserve provide significant ecological function, are valuable habitats for wildlife, contain unique features or offer new recreational access. We provide technical assistance and information to landowners who want to improve and manage habitats on their own property and volunteer site stewards monitor properties that are under conservation easement.

- **Riparian Site Steward**: The goal of ClearWater’s Riparian Conservation Program is to improve stream quality throughout Central Pennsylvania through the program’s four areas of focus: stream assessment, stewardship, restoration, and protection. The program educates streamside landowners on the role of vegetated buffers and with the help of volunteers, restores streamside buffers with native trees and shrubs. Landowners and volunteers make this effort possible.

- **Native Garden Volunteer**: Native Garden Volunteers help with the native landscaping around the ClearWater Conservancy office. This group gets together more frequently in the summer, up to twice a month, to care for the variety of plants as needed. Native garden volunteers also help winterize the garden at the end of the season. Volunteers will learn a great deal about the many unique species planted in the native garden throughout the growing season.
Annual Events / Opportunities

- **Art & Chocolate Winter Gala**: An Annual Winter Gala that includes live and silent auctions, gourmet desserts and hors d’oeuvres, and local beer and wine!

- **Watershed CleanUp Day**: Volunteers have helped clean up several hundred tons of litter since its inception.

- **Adventures in Conservation / Centered Outdoors**: A way for people of all ages and fitness levels to explore nine outdoor destinations across Centre County. In 2017 alone, kids and adults experienced 1,400 personal adventures and hiked more than 1,200 cumulative miles during 20 outings.

- **Otto’s Golf Fest**: A fun, outdoor golf tournament with prizes, contests, and, of course, refreshments from Otto’s Pub and Brewery. Proceeds from the event benefit the Spring Creek streamside restoration project.

- **Annual Meeting**: Members gather annually to celebrate the year’s success and honor the individuals who make it all possible.

Volunteer Expectations and Responsibilities

As a Volunteer with ClearWater Conservancy, you are responsible for duties that are important to the success of our organization. By committing as a Volunteer with ClearWater, it is important that you recognize the responsibilities that accompany your work. All Volunteers are expected to:

- Be punctual for your volunteer duty or shift
- Be reliable and responsible
- Communicate any issues or concerns which are likely to affect your volunteer duties
- Do your duties as assigned and directed
- Accept guidance from the Volunteer Coordinator or supervisor
- Be willing to learn and participate in orientation, training programs, and meetings
- Understand the role of the paid staff, maintain a smooth working relationship with them and stay within the bounds of the volunteer role
- Keep sensitive organizational information confidential
- Comply with the policies and procedures of the organization
- Complete all post-event record-keeping
Volunteers as Spokespersons

Speaking as a Volunteer with ClearWater Conservancy, the general public may ask you questions about the organization. If a situation arises where a Volunteer is asked a question about Clearwater Conservancy’s stance on a public issue, or asked to give a personal statement at an event, here are a few appropriate responses:

- **If Approached by Press/Media:** “ClearWater Conservancy is a nationally-accredited land trust serving Central PA. The organization is not an advocacy group. I am happy to pass along your question/concern to the appropriate person if you can share your name and contact information with me.”

- **If Asked for ClearWater's Opinion:** “ClearWater staff would be glad to address your questions and/or concerns. I am here today as a volunteer and am not as familiar with that topic as a ClearWater staff or board member would be. Can I get your name and contact information to pass along to the appropriate person?”

Appropriate Dress

Volunteers are expected to act and dress professionally when volunteering and acting on behalf of ClearWater Conservancy. Volunteers shall be advocates of the agency in the community and should be dressed to further elevate the ClearWater Conservancy name and brand in the community.

Volunteers are expected to dress in a manner that is appropriate for the event or activity that the Volunteer is participating in. Because of the wide range of volunteer opportunities available, appropriate dress will vary depending on your duties as a Volunteer. At all times, Volunteers should dress in a way that will allow them to be comfortable and safe.

During the volunteer orientation, the Volunteer Coordinator will discuss appropriate dress code to ensure all volunteers understand suitable attire. If, at any time, you are unsure what you should wear for an outing or event, please contact the Site or Activity Supervisor.
Reimbursement Policy

As a Volunteer at ClearWater Conservancy, you may need to purchase items using your own money for company-related expenses such as events, information booths, travel expenses, and more.

All purchases made must be authorized prior to purchase to be eligible for reimbursement to the Volunteer. To receive written pre-authorization, contact the Site Supervisor or Volunteer Coordinator.

Substance Use

**Smoking**: ClearWater intends to provide a safe and healthy environment. Smoking in the workplace is prohibited except in outside locations specifically designated as smoking areas. For information regarding the location of smoking areas, consult with your supervisor.

**Drug-Free Environment**: We strive to provide a drug-free, healthy, and safe environment. While on Clearwater premises and while conducting CWC-related activities off premises, a volunteer may not use, possess, distribute, sell or be under the influence of alcohol or illegal drugs. Occasionally, we may sponsor events where alcohol is served; in such situations, volunteers who consume alcohol are expected to act in a responsible manner.

**Prescription Drugs**: The legal use of prescribed drugs is permitted during volunteer service only if it does not impair a volunteer’s ability to perform the essential functions of the volunteer position effectively and in a safe manner that does not endanger other individuals in the workplace. Volunteers must advise their supervisor if they are taking any prescription or over-the-counter drug which could adversely affect safety or performance.
Harassment Policy

ClearWater Conservancy aims to foster an environment where employees and volunteers alike are treated with dignity, decency, and respect. Volunteers should be able to donate their time and skills in an environment that is safe and absent of hostile, retaliative, sexual, and other unlawful forms of harassment. ClearWater Conservancy will not tolerate discrimination or harassment of any kind. By educating employees and volunteers, ClearWater Conservancy seeks to prevent and correct behavior that violates this policy.

ClearWater will handle all complaints in a confidential manner and aim to take corrective action where appropriate. In cases where a Volunteer feels that they are being harassed, they should file a complaint with ClearWater Conservancy Executive Director:

Deborah Nardone

Termination of Volunteers

If a Volunteer wishes, at any time, to end their Volunteer relationship with ClearWater Conservancy, they may do so without punishment or retaliation. ClearWater Conservancy values the work that Volunteers do and recognize that Volunteer relationships are not indefinite.

At ClearWater Conservancy, the success of our events relies on our Volunteers; any individual who wishes to terminate their volunteer relationship should give significant notice to ClearWater Conservancy, especially prior to special events where success depends heavily upon the work of Volunteers.
